

1 say?

2 MR. GENTRY: I think so.

3 THE CHAIRMAN: Dr. Templeton.

4 DR. TEMPLETON: Mr. Chairman, please forgive  
5 me for being a little bit insistent but I think your  
6 interpretation must include a provision for the local  
7 localities that there shall be no other restrictions.

8 THE CHAIRMAN: That is correct.

9 DR. TEMPLETON: You didn't recite that in  
10 your recap.

11 MR. GENTRY: I caught it.

12 THE CHAIRMAN: I think that was intended to  
13 be. I may not have expressly said it.

14 MR. CLAGETT: Mr. Chairman, I move that we  
15 approve Section 7.

16 THE CHAIRMAN: Before you do any moving, I  
17 would like to ask a question: Professor Asper and  
18 Mr. Gentry, are you reasonably clear as to what is  
19 desired by the Commission with respect to Sections 5 and  
20 7?

21 MR. GENTRY: Would you want me to repeat it?
